

PERFORMANCE CUSTOM CATALOGUE

eco

RDP cares about the environment, so its garments are fabricated with high quality fabrics made from recycled materials that help minimize the consumption of natural resources and help keep the oceans cleaner.

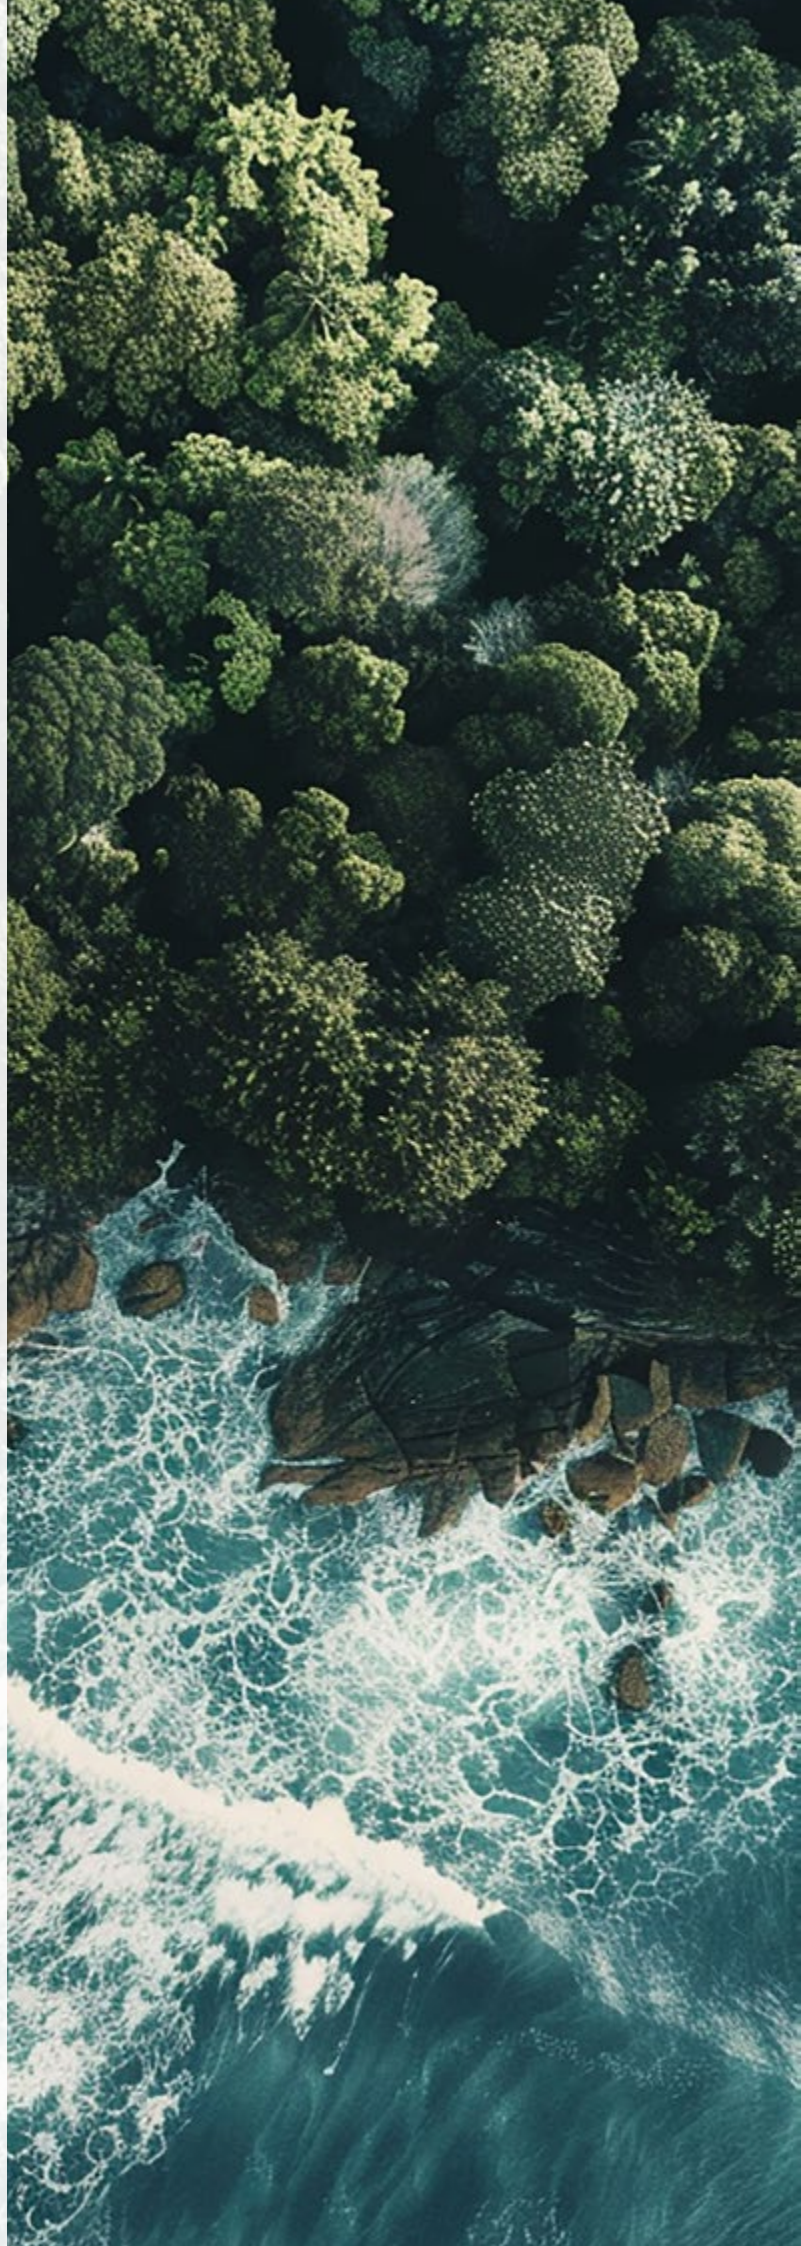

Recycled DTY - 100% Post-consumer Polyester CU816491
<http://certification.controlunion.com>
Certified to GRS

Thank you for choosing our clothes.

In RDP we take care of the environment using recycled polyester and ecological inks.

Our production is local, we fight it against slavery children and avoid CO2 emissions.

TECHNOLOGIES

ULTRA LIGHT Lightweight fabric. A lightness that provide a pleasant feeling of comfort, agility and freedom of movement.

ULTRA LIGHT Tejido ligero. Una ligereza que proporciona una agradable sensación de confort, agilidad y libertad de movimiento.

CAM LOCK Zipper with lock.

CAM LOCK Cremallera con bloqueo.

LASER CUT Made for ultimate comfort and a seamless finish.

LASER CUT Hecho para una mayor comodidad y un acabado final sin costuras.

SILICONE GRIP BAND Anti Turn movement. Greater comfort strength.

SILICONE GRIP BAND Anti Movimiento de la prenda. Mayor confort.

THERMOREGULATION

To maintain a constant optimal muscle temperature during intense workout, to minimize the possibility of muscle damage.

THERMOREGULATION

Mantiene una temperatura muscular óptima constante durante el intenso entrenamiento. Minimiza la posibilidad de daño muscular.

NO FRICTION The soft touch avoids friction and increases our comfort and sense of well being allowing the athletes to concentrate on the physical activity.

NO FRICTION El tacto suave evita la fricción y aumenta la comodidad y la sensación de bienestar, permitiendo que los atletas se concentren en la actividad física.

CHLORINE RESISTANT Strong resistance to chlorine and abrasion.

CHLORINE RESISTANT Fuerte resistencia al cloro y a la abrasión.

WATER REPELLENT Total fabric water repellent.

WATER REPELLENT Repele el agua para una mínima fricción.

100% WATERPROOF

Special fabrics 100% waterproof, that repels water and wind, designed to give maximum protection, leaving you dry while allowing total perspiration, fast drying, maximum durability, 100% sublimable.

100% WATERPROOF

Tejido especial 100% impermeable, que repele el agua y el viento, diseñado para dar la máxima protección, dejándole seco al tiempo que permite transpiración total, secado rápido, máximo durabilidad, 100% sublimable.

REVOLUTIONARY ELASTICITY Fabric allows a multidimensional elastic movement, COOLMAX form a second skin, flexing following the body movements this increasing comfort.

REVOLUTIONARY ELASTICITY Tejido que permite un movimiento elástico multidimensional, COOLMAX forma una segunda piel, siguiendo los movimientos del cuerpo dando un mayor confort.

PROGRESSIVE ADPTATIVE COMPRESSION

Pressure per square cm that exerts specific pressure around the different muscle groups.

- **ACTIVE:** facilitates blood circulation, minimizing stress impact, reduction of impact vibrations.
- **PASSIVE:** facilitates muscle recuperation after any workout.

PROGRESSIVE ADPTATIVE COMPRESSION

Presión específica por cm² sobre los diferentes grupos musculares.

- **ACTIVO:** facilita la circulación sanguínea, minimiza el impacto del estrés, y reduce las vibraciones de impacto.
 - **PASIVO:** facilita la recuperación muscular después de cualquier entrenamiento.
-

MULTI-FIBER AND BACTERIAL CAPACITY

The especially engineered fibers allow to creation of high-performance garments that are soft, breathable and moisture wicking. Bacteriostatic, antibacterial and bacteriological properties prevents bacterial proliferation, odour and allergy.

MULTI-FIBER AND BACTERIAL CAPACITY

Las fibras especialmente diseñadas permiten la creación de prendas de alto rendimiento, suaves, transpirables y que absorben la humedad. Antibacterianas y bacteriológicas que impiden la proliferación bacteriana, el olor y la alergia.

WIND SEALER Best protection. Windproof fabric.

ULTRA LIGHT Máxima protección. Tejido paraviento e hidrófobo.

THERMAL For medium intensity training in cold weather conditions, from -4° to 12°, where dryness and comfort are essential.

THERMAL Para el entrenamiento de intensidad media en condiciones de clima frío (-4° a 12°) donde la sequedad y la comodidad son esenciales.

CONDITIONS DESIGN

A designer will be assigned to manage the work. We ask the client to review correctly all texts and logos that appear in the sketch. Once approved the design, RDP is not responsible of the errors.

The colors of the proposal design are not exact due to the different color settings of printers and monitors. We beg to the Customer tell us the color references (Pantone, RGB, CMYK) or provide sample physical if you have it. There will be no limit of colors in the garments.

In the event that some logo should have a specific measure or position, We ask the client to specify it. Otherwise, the pattern explained will be followed previously.

Logos and drawings must not pass between seams for reasons of clothing.

The size of the logos and forms will be adapted always to the smallest size, as You can see in the bottom image where each line corresponds to a size Distance

Up to 3 rectifications can be made without additional cost

The client must provide the vectorized logos. Possible formats: Illustrator (.ai), Corel Draw (.cdr), Freehand (.fh), (.eps) or (.pdf). The logos to be vectorized by SURAL, will have an additional cost of € 20 x color and logo.

As a general rule, the color of the zipper, of the seams and the strip will always be white or black In exceptional case and depending of the quantities, you can choose another color.

The minimum order is 7 units per model. The minimum for replacement is 4 units per model, as long as no There is no type of modification in the design.

The delivery time is 7/8 WEEKS * a from:

- ✓ **PAYMENT OF 50% OF THE BUDGET**
- ✓ **CONFIRMATION OF THE DESIGN**

As of this moment, no more will be admitted changes

* Holiday periods will not be counted within the delivery term.

SIZES REPRESENTATION

CUSTOM PRODUCTS

INITIAL ORDERS	The minimum, initial order, manufacturing will be 7 units of each model. If they do not reach at the minimum, the following will apply: from 4 to 6 units, a surcharge of 20% on rate
REPLACEMENTS	The replacements of more than 3 units per model, will not have additional increment. The replacements of 2 units for model, will be applied the surcharge of 20% on rate and for a single unit 50% surcharge will be applied. As long as there is no change in the design.
DELIVERY TIME	The delivery time will be 5 weeks, which may vary depending on the models to be customized. Up to 6 models the delivery time should be 6 weeks. Up to 7 to 9 models the delivery time should be 7 weeks. Up to 9 models will be 8 weeks. The accounting of this term will begin when: We have the confirmation by mail of the definitive design, excel providing the sizes for each model and the payment of 1st 50% of the budget has been made, which will mean the confirmation of the same.
TIME FOR HOLIDAYS	“From December 21 to January 7 / The 10 days of Holy Week and throughout the month of August: All manufacturing, personalization, will be paralyzed. These days are not counted within the delivery period.”
FREIGHT	Orders, with standard service and delivery European Community will be charged 25.00 € / box
FREIGHT OBSERVATIONS	International shipments may require the payment of customs taxes. Customs commissions are unrelated to Real Deal Projects S.L. and can be requested by the administration in certain cases that Real Deal Projects S.L. does not know and whose decision will be made by the administration of the autonomous region that receives the package. SuralSport is not responsible for the amount requested by the customs administration or town councils, which must be paid by the package receiver in said autonomous communities.
SAMPLES	They will not have commercial value, they will be returned at the end of the sizing tests to place the order. The client will receive a delivery note in which the value of each unit, sample, will be 100.00 €, which will be regularized at the time of the return of the samples and check their good condition. In case of missing a unit, the customer will be billed at 100.00 €.
BUDGET	“A budget will be delivered with the final amount of the order which must be paid in the 1st 50% to start the production. The client must send by email, to contabilidad@sural sport.com , the bank proof of the deposit, facilitating in the concept the budget number and name of the team.”

DESIGNS & LOGOS

DESIGNS	A designer will be assigned to manage your order. This includes up to 3 design revisions at no additional cost. For orders over 300€, the garment design will be free of charge. However, if the order is not finalized after the design work has been completed, a 150€ 'Design' fee will apply. There is no limit on the number of colors for the garments.
LOGOS	Customer must provide logos in vectorized formats : Illustrator (.ai), Corel Draw (.cdr), Freehand (.fh) or (.eps) or (.pdf).

EXTRA COSTS

LOGOS DESIGN	If there are logos without vectoring / not drawn by the client, the logos to be vectorized by Real Deal Projects will have a additional cost of 20€ for each color of the logos.
FLUORINE COLORS	If the customer's order contains fluorescent colors. This will increase the cost by 5% on the corresponding rate. Since these inks have a higher cost.
LOGO MAKE UP	Make up and size adjustments for swim caps NET AND FIX PRICE - 30€ Make up and size adjustments for swimwear NET AND FIX PRICE - 60€
SUBLIMATED NAME	In the event that it is possible, 5€ per unit must be added to the list price.
SCREEN PRINTING	Maximum 5 names in every screen of 45 x 45 mm and the price will increase by 45€.
EMBROIDERY DISK	Cost for the embroidery Disk will be 25€ , net and fix price.
EXTRA EMBROIDERY	Maximum size of 30x30 mm. Increasing the price 1,5 € per unit
PBT LINING	This will increase the cost by 1,5€ on the corresponding Model

*** LOGOS**

Considered only 1 logo per piece. More Logos (cloro-transfer) will be increase 1€ more for each logo.

The background features a dark grey, repeating geometric pattern of interlocking hexagons. A large, irregular splash of purple paint is located in the lower half of the image, starting from the left and spreading towards the right. The logo is positioned at the bottom center, overlapping the purple splash.
